Cotton Hall is a true hidden gem. This pristine property is nestled in the heart of the lowcountry and tucked away from the hustle and bustle of every day life. Cotton Hall features a 10,000 sq ft home that was built in the 1920s among miles of untouched earth with Oak Trees that date back to the 1700s.

Cotton Hall features a magnitude of locations for your event's festivities. Say "I do" under one of our sprawling oaks and enjoy cocktail hour along any of our spacious lawns. Let your imagination run wild and create the event you've always envisioned.

We can't wait to celebrate you.

A few things to note:

Rehearsal: For Saturday-only venue rentals or Exclusive Weekend Rentals, sensitive to any other events that may be occurring.

Beverage Service: While alcohol consumption is allowed at the property, alcohol may not be served to minors or anyone appearing to be intoxicated. A licensed beverage service required for your event.

Rental Items: We offer 100 white padded folding chairs and 10 - 5 ft round tables for weddings and events booked at Cotton Hall. Tents and other rentals are not included in the rental fee. The house can comfortably accommodate up to 50 guests standing, so it serves very much as an outdoor venue. Clients are strongly encouraged to use a tent in conjunction with the house for all receptions on the lawn. Restrooms are required to be rented for events with 75 or more guests. A generator should also be rented for your event should it be required.

Vendors: it is required that all pre-approved wedding planners, caterers, and bar services provide the appropriate license and insurance documentation prior to the final review. A list of suggested vendors is available at the end of this packet.

Wedding Planner: An in-house wedding planner is available at an additional charge. To ensure proper use and care of Cotton Hall, we require that you hire a qualified and licensed wedding planner to be responsible during the event under a "full package" or a "partial package". The planner will maintain your timeline for your wedding weekend and serve in the capacity of the decision-maker on your behalf.

Event Insurance: Event insurance is required for all weddings taking place.

Security Deposit: A \$1500 deposit is required for Exclusive Weekend Package.
